From the Director:

I am thrilled to make my directorial debut at TGV with "A Tuna Christmas"! The entire process has been a pleasure. I definitely could not have done it without my amazing cast and crew. Thank you to the TGV board for your support; Lu Williams for being my right hand gal through out this journey; Andrea Thom for saying "Okay, yeah!" to anything that I ask you to do and most of all thank you- the audience. Without your support we would not be here doing the things we love to do. Enjoy the show!
