From the President

This summer has been very busy for all of the TGV members; painting, cleaning, and working on the backstage area. A spiral staircase and carpetng are on the horizon. We are also saving for a sound system (see our wish list). It' going to be a busy year and we're all looking forward to working hard to bring quality theatre to Valdosta. We invite you to join TGV and be involved in a community organization that allows everyone to enjoy "live" theatre.

Director's Notes

Many remember Ginger Rogers and Fred Astaire and the days of the "BIG" Hollywood musical. The world was more innocent then and the common plot of "boy meets girl", "boy loses girl" "boy gets girl" sent our hearts soaring. With music by Cole Porter, "Anything Goes" takes many of us back to our youth and for others who don't remember those blissful days, it provides an escape into an "old" world fantasy.

During rehearsals many of our cast members have said, "I remember this song!"; while others have said, "Who is Fred Astaire?". But everyone has worked very hard--especially Ricardo Ipina (musical director) and Michal Shirley (choreographer). We hope you enjoy our tribute to the "BIG" Hollywood Musical.
