Directors Notes.....

For me, community theatre is a place where I can temporarily retreat from daily life into a world that is distinctly "other. " Here we create - and for a time live in - an alternate reality. How fortunate we are to present that reality as entertainment to friends and family who fill our audiences. Our common goal is that for a few hours of your time, you too can transcend to that "other" place where life is enchanting, obstacles seem impossible, and life is both heartbreaking and heroic.

This show would not have been possible without the talents of our amazing cast and crew. I am forever grateful for their hard work and dedication to these roles.

Tonight, please join us as we shift to Pawhuska, Oklahoma to meet the Weston family, and all of their baggage, who put the "fun" in dysfunctional. I believe we can all identify, a piece of, a character from the show within one of our family members. I hope you laugh, I hope you cry, I hope you enjoy.

Brock Gilliard, Director
