Gypsy is one of America's most popular and well known musicals. The melodies of the songs linger in our heads and we tend to whistle, hum, and even "sing out" the lyrics. Many an aspiring actress and many experienced actress have hoped to play the role of Rose. The relationship between Rose and her daughters is truly epic. The legend of the famous burlesque strip tease artist, Miss Gypsy Rose Lee, is fascinating.

Some say the overture to *Gypsy* is the most well-known in musical theatre. Theatre Guild of Valdosta produced this charming musical thirty years ago and, in celebration of these past thirty years, we decided to once again bring the characters, songs, and dances to our stage. We have spent the last six weeks in preparation to dazzle and entertain you so "you'll have a real good time."

So, the curtain goes up, the lights light, and we hit the heights as we start our 30th successful season.
