Hendrix

*Thank you to everyone who made
this production come together!*

Theatre Etiquette

The following tips are reprinted with permission from the communication arts program at VSU. We hope they will enrich your theatre experience.

Stay and show your appreciation.

A quick departure is noticed by everyone in the audience, and especially by the performers on stage. Making a mad dash for the exit expresses inconsiderate behavior. The performers CAN see you, so please wait until the house lights go up.

Hearing a pin drop.

We are delighted if the performance proves to be "the talk of the town", but please wait until intermission or final curtain to carry on lengthy conversations. In addition, everyone will certainly hear the sound of a crumpling cellophane wrapper from a piece of candy. Why not "pop" your candy into your mouth before entering?

We were here... Where were you?

Arriving late to the theatre is never considered "fashionably late." After the performance has begun, we will ask that latecomers wait until a suitable time before being seated. The same reminder applies at intermissions. Leaving your seat during the performance may also keep you from being allowed to re-enter until an appropriate time.

Lovely to look at... and preserve.

Help us preserve the condition of our theatre by finishing ALL snacks and beverages before entering and depositing any trash in an appropriate receptacle. Remember, NO FOOD OR DRINK IS ALLOWED IN THE THEATRE, and as always smoking is permitted outside the building only.

The great "escape."

Just as you mentally leave your earthly boundaries and are transported to another time and place becoming one with the performers, suddenly, your neighbor starts "beeping" like a four alarm fire. Watches with alarms, cellular phones, and beepers are distracting and annoying to everyone. Please be considerate of your neighbors as you would expect the same consideration from them.

Recording.

We strictly prohibit the use of any recording or photographic device.

Just in case.

Please note where the emergency exits in the theatre are located and notice any of your fellow patrons that may need your help in an emergency.

And finally...

Above all else, enjoy the show. We are certain you will, and we are glad you are here. Please join us again soon, and often.

Cast Biographies

Erica Allen (Crystal): This is Erica's debut with TGV. She is a student at Valdosta State University, majoring in General Speech Communications. She has appeared in "Little Shop of Horrors" once before and was previously seen in "Dark At The Top of The Stairs" and Dance Ensemble at VSU. After graduation, Erica says she will be going "straight to the top!"

Ron Bruton (Customer): This is Ron's second appearance with TGV, having been seen as Larry Regan in "Night of January 16th." He is an engineer at Sterling. We are glad to have Ron return to the TGV stage!

David W. Bullard, Jr. (Patrick Martin): David's appearance on TGV's stage marks his acting debut. He enjoyed the movie version of "Little Shop of Horrors," so decided to audition for this play. David is a mail carrier by day and a Karaoke DJ on Saturday nights. He hopes to continue to be involved in TGV since this has been a remarkable experience.

Angela Bright (Ronnelle): Angela makes her debut on the TGV stage. She is currently working on her Bachelor's degree in Fine Arts at Valdosta State University. Angela has been involved in theater for many years and after graduating plans on pursuing a career in theater education. She would like to thank her family and friends for all of their support.

Oswaldo R. Burgos, Jr. (Skip Snip): Oswaldo makes his debut with TGV. He is from Jacksonville, NC and is in the United States Air Force. After completing his commitment to the USAF, Oswaldo hopes to attend The Julliard School of the Arts to fully develop his talents. He pays thanks to God for allowing his dreams to come true.

Reatha Cascella (Mrs. Luce): As an operator of a first aid and safety company, this play is good for business! This is Reatha's third musical and previously appeared in "My Fair Lady," "Company," and "Let's Murder Marsha" to name a few. She would like to thank the entire cast, patrons, and especially Mary Ann for all the fun.

Darlene Caviness (The Plant): "I have been typecast!" is the cry heard this production. By day, Darlene works at Griffin LLC as a Researcher in the greenhouse. So Audrey II is not really much of a stretch for her-botanically speaking, that is. Valdosta audiences may have seen her in "Out of Order," "Moon Over Buffalo," "On Golden Pond," and "Kiss Me Kate." She would like you to remember to take care of your plants at home - you never know when (or how) they will take revenge!

Trish Croll (Shirelle): This is Trish's fourth season with TGV. She was previously seen gracing our stage in "Out of Order," "Something's Afoot," "Company," and "Dearly Departed." She has also been involved in many other stage productions as a crew member. Before joining TGV, Trish had performed in many productions in TX, ND, and MS. Trish has a minor in Theatre from the University of Southern Mississippi and a major in Broadcast Journalism. She is currently the Media and Community Relations Coordinator at Wild Adventures Theme Park, where she manages public relations and correspondence. She says, "TGV is a wonderful family and I want to thank our director for letting me strut my stuff in this show."

Cast Biographies

Joey Delk (Mr. Mushnik): Joey is pleased to be making his debut with TGV, after returning to his native home. A graduate of Lowndes High School and Valdosta State University, Joey has spent the last eight years working in various forms of professional theatre, films, and television in Florida, South Dakota, Seattle Washington, and New York City. He says that performing is his life and coming home is no reason to stop. Joey would like to thank TGV for giving him this wonderful opportunity to sing, dance, act, and meet some great people. He would like to thank God-without Him none of this would be possible. He also thanks his Mom and Dad for their support and Brenda for her understanding. He loves you all! "Remember dreams are so important, so follow them."

Michael Ethridge (Radio Announcer): Mike is no stranger to TGV's stage. He was previously seen as Judge Thatcher in "Tom Sawyer," and as Geoffrey in last year's musical "Something's Afoot." Michael also directed "Laundry and Bourbon," which was entered in and placed 2nd in last year's Georgia Theatre Conference Community Theatre One-Act Competition. He would like to thank Mary Ann for giving him the opportunity to have fun and see this show come together.

Shanon Heaton (Satin): Making her debut with TGV, Shanon is a senior at Valdosta State University studying Communications. She was involved in high school productions of "Bye Bye Birdie" and "The Infamous Soothing System of Professor Malard." Shanon would like to thank her parents for always pushing her to be the best, and to her brother for giving her the love of theatre. She hopes to someday become an airline pilot.

LaMichael R. Hendrix (Audrey II): This is LaMichael's first show with TGV, and he is excited to be in it. He is currently a junior at VSU, where he is majoring in Speech Communication with a minor in Theatre. LaMichael says he has been acting since he was four years old and has been seen as Ken in "Ain't Misbehavin'," Mr. Willis in "The Good Times Are Killing Me," and Rev. Sykes in "To Kill a Mockingbird." He has also performed in Snow Camp Outdoor Drama in NC. LaMichael would like to thank his Mom, his family, Pam Ware, his church family at New Birth Church Ministries, and all those who believe in him. He gives special thanks to God for allowing him the opportunity to use his talents.

Phil Jones (Seymour): After a long pause from the TGV stage, only minor roles previously, and no formal vocal training, Phil is excited about being able to fulfill a long time dream – to have a lead role in a musical production. He simply hopes that you all enjoy the show!

Anita MacFarlane (Customer #2): Anita makes her debut with TGV as a customer in this production. She has enjoyed the opportunity to be on stage and share it with her daughter Megan. Anita's previous acting experience includes an appearance in a commercial for Cook County Ford.

Megan MacFarlane (Salvation Army Worker): This is Megan's debut with TGV. She is in the seventh grade where she is a performer in the band. She has enjoyed being in this production.

Cast Biographies

Monica McCants (Chiffon): Monica makes her debut with TGV in this production. She is in the United States Air Force and just recently arrived in Valdosta. This is Monica's first musical and her first production since four years ago. Even though she is shy, Monica enjoys acting and singing, and hopes to overcome this shyness to be involved in more productions.

Rick Patrick (Orin Scrivello "snap" D.D.S.): Rick is in his 8th season with TGV. Some of his favorite roles include Will Stockdale-"No Time for Sergeants," Capt. vonTrapp-"Sound of Music," Elwood P. Dowd-"Harvey," and Col. Jessup-"A Few Good Men." Rick gives special thanks to Erica and Angela for showing him some "really cool moves."

Della Rae Prettyman (Bag Lady): Della is also no stranger to TGV, but she makes her stage debut with this production. Della is an aircraft mechanic and loves to apply her craft while traveling around the world with her husband Walt. She says, "Feeling the wind in my face driving my Harley Davidson is the best fun-we will see how being on stage compares!"

Lee Pyle (Mr. Bernstein): This is Lee's second production with TGV, having been seen as the unforgettable Sweeney in "Night of January 16th" last season. He is retired from the United States Air Force and is now an eighth grade teacher at Hahira Middle School. Lee was previously active with a musical theatre group in New Mexico. In his "spare time," Lee is the father of ten (10!) children and grandfather to four. We are glad to have Lee back on the TGV stage.

Fred Stikkel (Wino): Fred has been with TGV since 1995, and was recently seen gracing our stage as The Waiter in "Out of Order," and Flint the Caretaker in last year's musical "Something's Afoot." He enjoys performing for Valdostans and hopes to see you at many more shows.

Stacia Watkins (Bobette): This is Stacia's first show with TGV. She is a 2001 graduate from Lowndes High School where she was actively involved in Drama, Student Council, 4-H, and Interact. She now attends Abraham Baldwin Agricultural College in Tifton majoring in Broadcast Journalism. Afterwards, she will attend Belmont in Nashville, TN to study Music Business. She was recently the State winner in the Performing Arts-Vocal category for Georgia 4-H. Stacia has performed in "Hello Dolly" as Dolly for GA State Thespian Conference Opening Number, Mme. Baptistine in "Les Miserables," and other roles on Off Broadway. Her true aspirations are to be a country music vocalist. "I would like to thank TGV for opening up their arms, heart, and home to me. You have made me feel like part of the family!"

Patty White-Cosey (Audrey): Patty was most recently seen as Janie in last season's closer "Alone Together." She has performed in several other productions with TGV, including "Cat on a Hot Tin Roof," "Dear Ruth," and "Barefoot in the Park" as Corie. Her role as Audrey in this production is one of her favorites. Patty is a counselor with South Georgia Psychiatric and Counseling Center and Behavioral Health Services.

History of Theatre Guild Valdosta

Theatre Guild Valdosta (TGV) was organized in 1989 through the efforts of the Lowndes/Valdosta Arts Commission as an autonomous community theater group with non-profit, tax-exempt status. After three years as a group of vagabond players with no "home," the group purchased the old 'Dosta Theater building in 1992, and set about converting the dilapidated movie theater into a playhouse for live stage performances.

Thanks to many supporters and one large benefactor, TGV now owns three adjoining buildings in historic downtown Valdosta, performs four main stage shows, an evening of one-acts and two children's shows each year. All of this is done in order to provide high quality theater experience to as diverse an audience and group participants as possible.
