## Directors Notes

*Writing Director's Notes is a bittersweet challenge for me. As I sit to write them we are on the cusp of creating an excellent show. As you sit to read them, we are two weeks into the future, the show has taken a life of its own, and our rehearsal time together is a mere memory. Memory is an important factor in this play. We are looking into the experiences that Jo holds so dear as she calls us to visit her memories of family, friends, and the years that were most influential to her becoming an adult. I too will carry memories of this awesome experience and the young men and women (and the not so young ones too) who have touched my life over the past seven weeks. We wanted to give our young people an opportunity to delve into a play that challenged them, took them deeper into character development, and provided a chance to learn something of themselves and each other along the way. The cast approached this process in such a mature way and I am so grateful for the chance to work with each and every one of them. Kudos to you all and the crew that supports you! And a special thank you to Ms. Lois for being my right-hand friend throughout this process yet again. And to my sister Diane, I thank you for all the love and support you have given me.*

# Cast

**Catherine Allbritton.** Christopher Columbus! Plummy play! Theatre is very prominent in my life: eight GBP and three LAT performances. My favorite show so far has been "Big Bad Musical". Ms. Brenda, much gratitude for casting me in Little Women as Jo...a role long desired. Castmates, especially Jo B, "break a leg!" :)

**Athena Kiene** has been in several musicals and monologue competitions, however, this is her first major role. She is very excited to be part of this production and wants to thank her family for all of their love and support. Thanks!

**Katie Courson.** Katie is an 11-year-old Star Wars loving, happy kid. She enjoys dancing, movies, and her many pets. She is super excited to be in her first play with the Gingerbread Players. She attends Hahira

Middle School. Katie wants to thank her friends and family for their support.

**Kalyn Cooper.** I am 11 years old and in the 5th grade at Lake Park Elementary. This is my 2nd performance at TGV. I really enjoy performing on stage and hope to be in more plays at TGV. My hobbies include singing, dancing and hanging out with friends.

**Hope Hathcock** is 11 years old and is performing her first play this fall. She dances, sings, and plays basketball and tennis. Hope is very thankful and excited to be in this play and have support from her family.

**Hannah Moody.** This is my 11th show with the Gingerbread Players, and I've enjoyed every one of them. I am a senior in high school this year and hope to continue theater throughout college and beyond. Enjoy the show!!

**Hannah Robinson** is a sophomore at Lowndes H.S. She has travelled and lived in many places to include Japan. She loves theater and started acting at age 5 in "Annie". She was recently in GBP's "The Lion, The Witch and The Wardrobe." Thanks to God who has given her all her gifts and talents and who she loves very much!

**Shelby Stacey** would like to thank Ms. Brenda for the opportunity to perform this play. This play has taught me a lot. I am currently involved with my school's drama program. I want to be an actress or a defense attorney. I have big dreams; all I need is a shooting star.

# Cast

**Stephanie Turner** has been performing since she was four, appearing in productions such as "Beauty and the Beast," "Annie," "Treasure Island," along with playing Auntie Em in "Wizard of Oz." She is currently a senior, journalism major at VSU and the managing editor for the school paper.

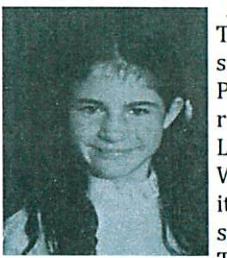

**Jennifer Singleton.** Through the years I've done a handful of shows here at TGV, during high school I did a heap of them as well. This time I am lucky to share the stage with both of my daughters, Raini and Phoebe again. FINALLY MY BRAIN WASHING HAS KICKED IN! MUWAHAHA! It's always nice to be back behind the 4th wall.

**Diane Marie Brunston** has been active in theatre since the 5th grade. She is thrilled to, again, be working with big sister Brenda and a great cast and crew. Diane's day job is at Baytree Animal Hos-

pital where she loves taking care of Valdosta's "4-legged kids."

**Kaitlyn Allbritton.** This is my 11th time on stage with Gingerbread Players. My favorite role was Lucy in "The Lion, the Witch, and the Wardrobe." My favorite costume was the spider in "Babes in Toyland", although I

am really looking forward to wearing my frilly, fancy dress as Sallie. When not performing, I enjoy helping backstage.

Hi my name is **Phoebe Singleton**. I'm "Sallie" in the play. This is my 3rd show with TGV and I'm really excited! Besides acting, I enjoy soccer, making friends, going to school where I'm involved with the PE and Chess clubs and being silly. I hope you enjoy the play "Little Women"!!!

Hello! My name is **Bethany Weller**. This is my second play with Gingerbread Players. I am very excited. I attend Georgia Cyber Academy Online public school at home. I

have an older sister, Alex, and a dog, Dixie. I enjoy playing the piano, playing with my dog, swimming, and theatre.

**Kaitlyn Clark.** I go to Saint John Catholic School and I love to read and write, and especially act. This is my first play and I am very excited. Thank you Mom and Dad for helping me with my lines, and Michael and Adam for your moral support.

## Cast

**Sam Kassum** is a 5th grader at St. John School. She sings in the St. John's Youth Choir, plays piano and trombone, is a purple belt in Taekwondo, and enjoys spending time with her sister and pets. "Little Women" is her first play and she says it won't be her last!

**Raini Singleton.** I'm in the 8th grade at Lowndes Middle school. I'm involved in band, chess club, FCA and student council. This is my third show here at TGV and I'm excited to once again be among amazing actors and people. I've only recently discovered my enjoyment of acting and I'm proud to embrace it.

My name is **Sommers Coleman** and I'm a 17 yr. old senior at LHS. I have been fortunate enough to have been cast in 6 previous GBP shows, Valwood one act, and recently "A Ring of Truth" at LHS. Thanks Ms. Brenda for the opportunity to be part of another GBP show!

**Andy Conerly** is a native of Valdosta, GA. He has participated in theatre at VSU including "Macbeth" and the cabaret troupe. Also he has performed in "Joseph and the Amazing Technicolor Dreamcoat" and "The Great American Trailer Park Musical", with TGV.

**Jacob Reddick** has appeared in three local films including *The Battle of the Cursed: The Two Kings*, two short plays, and one musical. He was a part of the Theatre Wing at Cook High and has a certificate in Video Production from Wiregrass Tech. He enjoys singing, guitar, and martial arts.

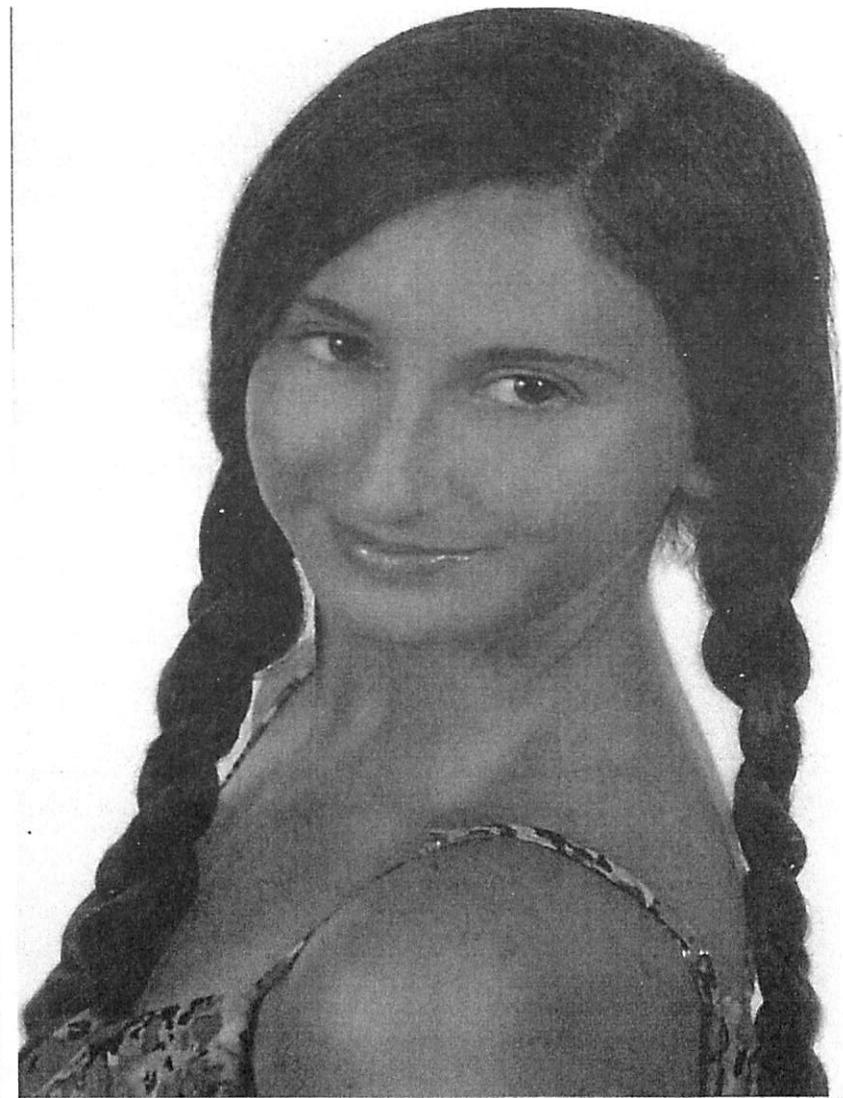

**Michael Wetherington** started performing in 1996. He began at Valdosta High School under Richardo Ipina and continued pursuing his love of theatre at Valdosta State University under Dr. Randy Wheeler. During this time he began voice acting as a radio personality on WVVS. He also enjoys doing stand up comedy.

### A Bit of History...

Louisa May Alcott, author of the timeless classic *Little Women*, based the story on her own family and their experiences during the years of the American Civil War. The characters mirror her own family, with Jo as a reflection of herself. Her family was quite wealthy, but her father had dreams of creating a place where people could live together in peace and harmony. His ideal of communal living in which people worked the land together to create a paradise on earth was shortly lived, but the message of his desire blossomed within his daughters and they continued to find joy and comfort knowing that they were loved by their family and closest friends.
