Stephenie Austin (GJ Waverly) Stephenie has been participating in theater for a year in a half at TGV. You may remember her as 12 different roles in Joseph and the Amazing Technicolor Dreamcoat. She also appeared as Pickles in this summer's production of The Great American Trailer Park. If you saw Christmas Belles last December, then you've seen Stephenie play Gina Jo. She loves entertaining and wants everyone to laugh. All the time!

Michael Brogdon (Dub Dubberly) Michael is delighted to be returning for the latest installment in the Futrelle sisters' saga. Previous roles on the TGV stage include Dub Dubberly in "Christmas Belles", Doctor Watson in "Sherlock's Last Case", King Henry II in "The Lion in Winter", and George Pigden in "Out of Order." Above everything else, Michael appreciates the opportunity to work with Mary Helen Taylor again. She's the best.

Cristina Brooks (Twink Futrelle) Cristina has loved theater since she was a child. She had the privilege of traveling for a summer with the Academy of Arts. She went on to minor in Speech at West Coast Baptist College. This is her first performance with Theatre Guild Valdosta. She just loves the dear citizens of Fayro.

Brenda Brunston (Frankie Dubberly) Brenda is delighted to reprise the role of Frankie having played the character in "Christmas Belles". She was also recently seen at TGV in The Great American Trailer Park Musical in the role of "Jeannie". Brenda has also enjoyed directing the TGV and Gingerbread Players shows "Little Women", "The Lion, the Witch and the Wardrobe", and "Don't Dress for Dinner."

Diane Brunston (Geneva Musgrave) Diane is happy to be back in Fayro with old friends. She has most recently played grumpy older women such as Aunt March in "Little Women," and Geneva in "Christmas Belles." Diane is an avid animal lover who recommends rescue/adoption. She works as a Veterinary Technician at Baytree Animal Hospital taking care of Valdosta's four-legged family members.

Dawn Castro (D. Dayva Davidson) Dawn is an aspiring actress who landed her first 'Dosta Playhouse role in 2010 as Christmas Belles' Patsy Price. Even though she is not brand new to the stage, she believes there is always room for growth, and she takes advantage of every opportunity. One of her favorite quotes is, "A journey of a thousand miles begins with one step."

Patti Cook (Rhonda Lynn Lampley) Patti is suffering from an identity crisis because she has played 3 of the 4 Futrelle sisters. Twink: "Dearly Beloved," Honey Raye: "Christmas Belles," and now Rhonda Lynn. Other roles include Jacqueline: "Don't Dress for Dinner," Claire: "Rumors," Louisa: "Ladies in Retirement," and Doris: "Cemetery Club." Patti just loves Fayro and TGV!

Clark Franzman (Justin Waverly) Clark is a 19 year old Theatre major at VSU. He has been involved in theatre since early childhood. He has previously performed as Jud in "Oklahoma" and Knicky in "Grease." Clark is happy to be adding Justin Waverly to his list. He would like to thank his parents for always believing in him and boy does he Love Fayro.

Josh Robertson (John Curtis Buntner) Josh is excited to be back in Fayro-albeit as a different character. Previous credits at TGV include Norbert in "GATPM.," Gabe in "Simply Divided," and Justin in "Christmas Belles." Josh wishes to thank his cast-mates, the creative team, and the backstage crew for a wonderful experience.

Karen Root (Aunt Iney) Karen is delighted to return to the Theatre Guild Valdosta stage in the delicious role of the irascible Aunt Iney. Patrons will remember her from last season's "Simply Divided" in the role of D'Ellen. You can see more of Karen at www.karenrootacts.com. Thanks to Mary Helen and all the cast and crew, and especially to Steven. Yay, ham!

Byron Vance (Raynerd) Byron is in his fourth season at TGV. Byron studied acting as a child then resumed it again as his favorite retirement hobby. Byron's first role at TGV was as Dr. Chumley in "Harvey, followed by Dr. Wally in "Marvin's Room". He was Frederick Fezziwig in "A Christmas Carol" and Capt. Brackett in "South Pacific". Byron wishes to thank the community for all their support, as well as all the special folks at TGV who've made his retirement so much fun

Donna Wasdin (Honey Raye Futrelle) Donna's adult theatre performances include a singing cook and peasant girl in a musical production of "Jack and the Giant," a comical hotel proprietor in Chateau LaRoach," and a guest in "Monster Hotel." She is happy to add Miss Honey Raye Futrelle, a sexy vivacious go-getter to her repertoire.

Director's Notes

If you saw *Dearly Beloved* or *Christmas Belles* then you are already familiar with the Futrelle clan and their misadventures as they prepared for a wedding and the annual Christmas pageant, but if this is your first time visiting Fayro, Texas, then you are in for a treat.

Southern Hospitality brings to mind front porches, rocking chairs, fried chicken, sweet tea, and graceful Southern belles and drawls. When the Futrelle family and friends show you their brand of southern hospitality, they will change those mental pictures, forever!! The Futrelle family and friends from Fayro, Texas decide that showing that famous Southern hospitality could be the key to saving their dying town, even if it kills them or their visitors first.

Southern Hospitality promises our audiences love, laughter, family drama and along the way the love of home, family and friends. Ya'll are all invited to the Fayro Days Festival that turns out to be anything but a display of small town Southern hospitality!! Where everything is bigger: the hair, the hearts, and the laughs. I just love Fayro!! So sit back and relax a spell and enjoy some Southern Hospitality, Fayro style!!

It has been my privilege to work with such a fabulous cast and crew, who were dedicated and supportive throughout every phase of this production. The show is the culmination of weeks of rehearsal and I am proud of the show and appreciate all of your hard work that makes it a joy to watch night after night. I would like to express my appreciation to Lu Williams, my assistant director, who was always there to keep things on track, listen and offer advice when needed. I would also like to thank my leading man, Adrian for supporting me in this and all of my endeavors.
