From the Director

I am so pleased to have had this opportunity to direct a great show with such a fantastic cast. So many people have helped make my mainstage directorial debut an experience I will never forget. The wonderfully talented cast, the dedicated crew, along with my assistant director, Michael and visionary scenic designer, Grant, have helped bring to life *The Fox on the Fairway* in such a fun, creative, and beautiful way. I am truly grateful for their friendship and support.

I would be remiss if I neglected to mention the encouragement and love my sister, Brenda. She has supported me in so many ways throughout this process, for this I am so very thankful.

Thank you to each of you for coming to the 'dosta and supporting TGV.

-Diane Brunston
