## Director's Message

The Gingerbread Players of the Theatre Guild Valdosta is very proud to present its production of *The Jungle Book*. Within this adaptation of Rudyard Kipling's novel, Mowgli's journey of self-discovery leads him to find himself both a member of the pack and a man.

The cast and crew of the show have had quite a journey of discovery as well. As is true with any production, there are many obstacles to overcome before a show is ready for the stage. There were so many special people who helped to make this happen. In fact, this production brought back a few "old" faces to the Gingerbread Players' crew and several new faces to the stage. It has been a joy to come to know these people and to be amazed by their work and the time they have sacrificed.

As always, I am eternally grateful to Lynnette Kenworthy for her many hours of work creating a beautiful set. This production was particularly blessed to have Stephenie Austin onboard offering her talents of direction. Her spirit is contagious and a great representation to children of what theatre is really about.

We thank you for your continued support of Gingerbread Players of TGV and hope you enjoy the show!
