DIRECTOR'S NOTES

As a first time Director, I am lucky to have had such a wonderful cast and crew. The three women you will see onstage are, individually, very special to me and I am forever indebted to them for their love and support. This show has been an amazing experience that I will never forget.

At the beginning of our story Molly, Debra, and Nicky aren't exactly friends, but their journey seals a long lasting relationship that changes their lives. Though I don't recommend you contemplate killing your spouse, I do encourage you all to be willing to open your minds to new possibilities. Happiness can be found in the most unlikely places, but sometimes you have to be willing to take a huge leap of faith to attain it.

Interesting in being onstage?
