The Cast

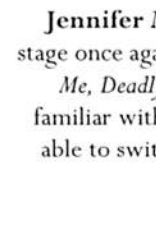

Chandler Lane (Don) is an aspiring actor who has appeared in multiple shows this season at TGV, including *See How They Run*, *A Murder is Announced*, *A Seussified Christmas Carol*, and *The Spoon River Project*. Also, Chandler has appeared in Wes Miller's faith based drama *Prayer Never Fails* playing the character of "Trevor."

Dennis Dale (Dad) spent several years touring the U.S. for the National Theater for Children, sold a couple movie scripts in Hollywood that remain unproduced, and played the lead in three television pilots which he also wrote, none of which became a television series. He is rumored to be wanted in Costa Rica for mooning a penguin.

Patti Cook Robertson (Mom) is glad to be back on stage reliving many childhood car trips with her family (she's glad she only has fur babies to deal with!). Thank you Josh and Mary Helen for the opportunity to work with this fantastic cast and crew. She hopes everyone enjoys the show!

Jennifer Mahoney (Sis) is delighted to be returning to the TGV stage once again. She most recently appeared as "Mona" in TGV's *Kill Me, Deadly*. As a military spouse, and mother of two, she is all too familiar with the shenanigans of the family road trip. What fun to be able to switch roles for this one! She'd like to thank her husband for his love and support!

Jody Leonard (Judy, et al.) is thrilled and terrified to be back on stage after an 11 year break from Main Stage TGV productions. Thanks to Josh, Mary Helen, the most amazing cast and crew, and especially to you, the audience. Enjoy the show!

Michael Wetherington (Bob, et al.) started theatre in 1995 with the VHS Drama Club and has been doing theatre with TGV off and on since the early 2000s. He has also been known to do stand-up comedy and considers himself a spoken word artist.
