Dear Theatre Guild Supporters:

Since this show is an addition to the planned 1990-91 program of plays, it serves as somewhat of a "bridge" between the seasons. So, I am taking this opportunity to publicly "pass the torch" from the out-going Board of Directors to the in-coming leadership. 1989-90 was the Guild's "Year of Discovery", as we discovered who we were, what we could produce together and who cared anyway! Thanks to all who showed how much interest there is in community theatre in the Valdosta area. 1990-91 was our "Year of Promotion", as we appeared before over 20 organizations, publicized more widely, and doubled our total audience over the year before. I look forward with anticipation to what 1991-92 will bring under President Jerry Ellis' leadership and wish for him and his Board all good things and God's blessing!

Most Sincerely
Joanne Griner,
President '89-'91

As I assume the duties and responsibilities of President, I want to thank everyone who provided the "Faith and Support" in my nomination. I pledge to do my best to insure the continued success and growth of our Guild. If this performance is your first contact with our group, we wish to invite your future support. We are ever seeking "Members, Players, Stage Crew and General Patron Support". Again, Thank you for your support.

Sincerely,
Jerry W. Ellis,
President '91-'92
